## Nothing will excite you as much as reading the WADA Rules

### 11. Reporting Results.

Immediately following the match, both team captains must report the match results to WADA. Failure to report scores by noon the following day will result in the assessment of three penalty points. (Thursday night teams are requested to report their scores immediately following the match.) Teams that knowingly report incorrect scores will be assessed five (5) penalty points. Scores may be reported by phoning the WADA Message System or electronically mailing the results by the deadline.

Scores do not need to be called in to the scores number if scoresheets will be faxed by Noon the following day. Please remember that SCORE SHEETS must be faxed or emailed even if you report your scores. Failure to do so will result in 1 penalty point.

### 15. Postponements.

A team wishing to postpone a match must notify the opposing team captain. Any request for postponement made 48 hours or more prior to a match must be granted; requests made less than 48 hours prior to a match are at the discretion of the opposing captain. When a postponement is granted, both captains must notify the Executive Director no later than noon of the day after the originally scheduled match; three (3) penalty points will be assessed for failure to notify WADA of the postponement.

If a team asks for a postponement more than 48 hours before the match it must be granted, as long as you have not used all your make-up weeks. Notify the ED of the postponement
