Score Reporting

All scores must be reported no later than noon on the day following your match. Once you have reported your scores, you must either email or fax your score sheet no later than 2 days following the match.

You can email your scores and score sheets to scores@wadadarts.org or fax them to (703) 723-5102.

If you email your score sheet, please note the score in the body of the email along with whether there were highlights or not.

Please make sure that all highlights are legible and that first and last names can easily be read. If you hit a pin highlight and it is your first one, we do not need your address written on the scoresheet as the secretary already has it on file and will mail you your pin. If you have a question about your pin, please email secretary@wadadarts.org. Thank you.

Once again, please make sure to check that your roster is correct online. This will be the information we use if your team wins a plaque. If the information is wrong on the website, then WADA is not liable if your plaques are wrong.

On another note, please remember that when you are at your match to use common sense and etiquette. If there is a match (whether your own one or a totally different one that you are not involved in) going on next to you, please pay attention. Just because you have finished your leg, game, or match, doesn't mean that the people playing next to you are finished. If someone is throwing a match on the board next to you, be aware when you walk back from the board that they might be getting ready to throw a dart and it is very disruptive if you walk into them.

Also, when warming up before your match, you may use the boards that are for your match. If there are 8 boards in the bar then you only get to use 4 (unless you are the only match at that bar). If you are warming up on a board that will not be part of your match and you are asked to move because the other match is starting, please do so. Remember, that's not your warm up board, other people need to use it to play a match.

Thank you and please use your common sense and basic courtesies so we can all enjoy our night out playing darts.
