Score Reporting

All scores must be reported no later than noon on the day following your match. Once you have reported your scores, you must either email or fax your score sheet no later than 2 days following the match.

You can email your scores and score sheets to scores@wadadarts.org or fax them to (703) 723-5102.

If you email your score sheet, please note the score in the body of the email along with whether there were highlights or not.

Please make sure that all highlights are legible and that first and last names can easily be read. If you hit a pin highlight and it is your first one, we do not need your address written on the scoresheet as the secretary already has it on file and will mail you your pin. If you have a question about your pin, please email secretary@wadadarts.org. Thank you.

The playoff brackets will be sent in a separate email that will be sent Saturday night. Please make sure that you know who will be the home team for your match and who will be the visitor. The higher seed is always the home team.

For playoffs, the only highlights that will be recorded are 9 marks, Ton 80s, and 6 bulls.

Playoff matches are the first team to 20 points. You do not need to continue the match once you reach 20 points as the match is considered over. For Championships, once a team reaches 20 points, the match will end. As a reminder to DC teams in C League that reach Championships, you will be required to play the first set of doubles for all Championship matches.

Please let us know if you have any questions about the Playoffs.
