## Score Reporting

All scores must be reported no later than noon on the day following your match. Once you have reported your scores, you must either email or fax your score sheet no later than 2 days following the match.

You can email your scores and score sheets to [scores@wadadarts.org](mailto:scores@wadadarts.org) or fax them to (703) 723-5102.

If you email your score sheet, please note the score in the body of the email along with whether there were highlights or not.

Please check the Highlight section for acceptable minimum highlights for your level of play.

Also note that if you do not fully complete the upper left hand corner of your score sheet with the correct week number, date, night you play and the full division number (ex: 15B) you will receive 1 penalty point. It is **VERY** important that you fill this out correctly in case we need to go back and check your scores later in the season. Thank you for your cooperation.
