## Score Reporting

All scores must be reported no later than noon on the day following your match. Once you have reported your scores, you must either email or fax your score sheet no later than 2 days following the match.

You can email your scores and score sheets to [scores@wadadarts.org](mailto:scores@wadadarts.org) or fax them to (703) 723-5102.

If you email your score sheet, please note the score in the body of the email along with whether there were highlights or not.

Please check the Highlight section for acceptable minimum highlights for your level of play.

**Also note that if you do not fully complete the upper left hand corner of your score sheet with the correct week number, date, night you play and the full division number (ex: 15B) you will receive 1 penalty point. It is VERY important that you fill this out correctly in case we need to go back and check your scores later in the season. Thank you for your cooperation.**

## Scoresheets - Please Fill them Out Correctly!

Each week, as you fill out your score sheet, please keep some things in mind. It is a requirement to COMPLETE your score sheet in its entirety. Failure to do so WILL result in receiving a penalty point.

In the upper left hand corner, you need to fill in the correct week number, date, night you play and your division number (ex: 15B). This corner of the sheet is extremely important in case there is an issue later in the season. We can use this corner of the sheet to quickly locate the division and week.

In the section of the sheet for your team's names, you need to use first AND last names (no nicknames). You will receive a penalty point for not doing so. These names also need to be clearly written so we can record any highlights.

On the right side of the sheet where you have to fill out the team names, you need to place the bar AND your team name. Again, failure to do so can result in a penalty point. There are lots of bars who have multiple teams and it is not always clear which team is the one playing the match. We also have a

few teams that have the same or similar names.

Please make sure to sign your sheet and your opponent's sheet at the end of the night. This is to ensure that both teams agree with the number of points won and lost over the course of the night.

Following these easy guidelines will keep you from receiving penalty points.

Remember, we have over 70 teams this season and we have to go through all these sheets every week! Thank you for your
