Score Reporting

All scores must be reported no later than **noon** on the day following your match. Once you have reported your scores, you must either email or fax your score sheet no later than 2 days following the match.

You can email your scores and score sheets to scores@wadadarts.org or fax them to (703) 723-5102.

If you email your score sheet, please note the score in the body of the email along with whether there were highlights or not.

As always, it is important that you complete your score-sheet. If you do not fill out your team name and your opponent's team name then you will receive a penalty point.

Please remember that there are a lot of bars that have more than one team per night and possibly per division so simply putting the bar name is not acceptable (and neither is leaving it blank). We need a team name for both teams. If you don't know the name of the team you are playing, either check your schedule or ask your opponent!

Thank you for your cooperation.

WADA Tour Information

The 501 WADA Tour still has a few spots remaining. If you are interested, visit the website http://wadadarts.org/wadatour4_interface/AppList.asp for more information. The Tour starts either this Saturday or Sunday (March 7th or 8th) depending on the region of play. There is a \$20 entry fee but First Place will walk away with \$800!

There will be regional semi-finals.

The Championship will be held July 11th at the American Legion, Post 8 in Washington, DC.

This is a great chance to see how you place in WADA as a singles 501 player! Who is the best 501 player in WADA? Sign up to play then we'll find out!

The format of play is Round Robin meaning that you will play every person in your region one time at each event. You can't ask

for better practice and competition than this!

Your region is chosen by which one you played in the last time you played on a WADA team. If there are available spots in another region, at this point you may sign up for one of those if your region is filled.

Good luck everyone!

Teams with Unpaid Shooters Fees or Sponsor Fees WILL BE DROPPED This Week!

If your team's shooter fees or sponsor fees have not been paid as of Saturday, February 28th, then your team WILL BE DROPPED this week. NO EXCEPTIONS! If you are supposed to play one of these teams this week, it is now a BYE and the match will not be played. Any matches that were played against a dropped team will be removed from the standings as though they never happened.

The list of dropped teams will be emailed out on Monday, March 2nd.

Please remember to make sure that both first and last names are legible along with the highlight. If we cannot read your name or your highlight, it will not be entered into the weekly.

Also remember that the "in" highlights only count in 301 when you have to double in and double out. It does not count for 401 and 501.
