Volume 60, Issue 7

March 6, 2009

Score Reporting

All scores must be reported no later than noon on the day following your match. Once you have reported your scores, you must either email or fax your score sheet no later than 2 days following the match.

You can email your scores and score sheets to scores@wadadarts.org or fax them to (703) 723-5102.

If you email your score sheet, please note the score in the body of the email along with whether there were highlights or not.

As always, it is important that you complete your score-sheet. If you do not fill out your team name and your opponent's team name then you will receive a penalty point.

Please remember that there are a lot of bars that have more than one team per night and possibly per division so simply putting the bar name is not acceptable (and neither is leaving it blank). We need a team name for both teams. If you don't know the name of the team you are playing, either check your schedule or ask your opponent!

Thank you for your cooperation.

Important Reminders

Week 9 is almost upon us. The end of Week 9 is the last week to add New Players to your teams.

After Week 9, substitute players will no longer be allowed to play in a match. If, after Week 9, you allow a substitute player to play on your team, you will lose any points that the substitute was a part of winning and there will be potential repercussions of playing an illegal player knowingly.

Don't forget that there was a rule change that went into effect this season that in order to be eligible to play in either the Playoffs or Championships, you must play a minimum of 3 nights. This means that you

must play on 3 separate nights in a spot where your name will be listed on the scoresheet (either doubles or singles) as there is no required listing for the team members who played in the Team Game.

Beginning in Week 10, any postponements of matches require APPROVAL of the Executive Director. This is because we need to make sure that all matches will be played before Playoffs begin. If you need a postponement, talk to the opposing team and make sure that you know when you will make up the match. Then, either send Darren an email at director@wadadarts.org or call WADA at (703) 723-5100 and leave the information as to what match is being postponed and when the make up match will be

played. Darren will get back to you either with an approval or asking for more information as soon as he can.

League Championships will be Saturday, April 25th and Sunday, April 26th (A and C on Saturday, B on Sunday). They will be held at Mighty Mike's Grill and Bar in Sterling, Virginia.

Please put these dates on your calendar now! Even if you think you don't have a chance, you can still win Playoffs!

Please remember to make sure that both first and last names are legible along with the highlight. If we cannot read your name or your highlight, it will not be entered into the weekly.

Also remember that the "in" highlights only count in 301 when you have to double in and double out. It does not count for 401 and 501.

Highlight Minimums

A League: 9mk, T71, T40 in or out, 6 bulls

B League: 6mk, T33, T20 in or out, 4 bulls

C League: 5mk, T, T in or out, 3 bulls

Highlights will be included in the next weekly.

Remember that ALL team member names MUST have a first and last name listed on the scoresheet and that no highlights will be given to just "Joe."

Also make sure that all name and highlights are legible. If we can't read the highlight, it will not be entered into the weekly. Please make sure that all highlights are listed individually by team member. Highlights listed on the opposing team's scoresheet will not be acknowledged. If you put a "tick mark" to indicate how many of a highlight you have hit, please write the total number at the end of the night as the tick marks sometimes look like there was just something on the fax machine glass.

All highlight minimums are listed to the left for each level of play. If you hit anything LOWER than what is listed for the minimums, it will not be included in the highlights. Please do not put anything lower than the minimums as we have to verify on each scoresheet that the highlights meet the minimum requirements.

Thank you for your cooperation as we have over 70 teams this season and have many, many scoresheets to go through each week.
