## Score Reporting

All scores must be reported no later than noon on the day following your match. Once you have reported your scores, your must either email or fax your score sheet no later than 2 days following the match.

You can email your scores and score sheets to [scores@wadadarts.org](mailto:scores@wadadarts.org) or fax them to (703) 723-5102.

If you email your score sheet, please note the score in the body of the email along with whether there were highlights or not.

The highlights for both Week 7 and Week 8 are included in this issue of the Weekly. If you are still missing highlights from this season, please send an email to [scores@wadadarts.org](mailto:scores@wadadarts.org) with the week number, first and last name, and the missed highlights. We apologize for any that might have been missed. It was not done on purpose and it is sometimes difficult to read the scoresheets due to either handwriting or light colored pens. Also, if a first and last name were not written on the score-sheet, then the highlight was not entered. Please double check when you have a highlight that your captain has both your first and last name and that they are spelled correctly. Thank you.

**A note about Penalty Points for Week 8 - if you received penalty points in Week 8 it was because you did not put a team name for either yourself or your opponent. Just the bar name is not a full team name. Mighty Mike's (which is the bar name) is not a full team name. However, Mighty Mike's GGMF or GGMF is a full team name. If you don't know your opponent's team name, ask them and you will avoid unnecessary penalty points in the future. Thank you for your cooperation as this also helps us enter the scores correctly if we know the team names of both teams.**

**Week 9 is here. After Week 9 there will be no more subs and postponements must be approved by the Executive Director. This is also the LAST week you can add a player to you team. Please check your roster online to make sure that all of your players are showing up on the online roster. There were some discrepancies this week between the scoresheet rosters and the online rosters. Captains—is is your responsibility to make sure that your players' names are spelled correctly and that they are all accounted for online.**
