Treasurer's report [as of 3/31/2025](#)

~WEBMASTER REPORT - David McDonald - Have done literally nothing & meetings with Pat have stopped lately as we've both been busy, There was 1 outage that the hosting provider took care of quickly. **Need to reach out for estimate of redo** of the website. Pat reported that she has been making content changes especially to WAO info and new season pages.

~Co-EXECUTIVE DIRECTOR REPORT - Eddie Jensen/Ronda Daly - Eddie not able to attend. End of winter season. One division still going will be wrapped up in next wk or so. Please help pushing spr signups. Apps are coming in. People are behind on matches.

- **Steve suggested a survey** asking why people are not signing up, interest level. 5-10 questions, ckbox, 1 comment box. Why not joining, playing. What can we do to make people play/join. Give them compelling reasons. Email or in person. SEND link to current wanna play.

- Rob will look at wanna play this weekend.

- RULES - Ronda going thru Rules to update. Will send out, quick teams call w/changes. Adding in stuff from last meeting. Updating anything very outdated.

~TOURNAMENT DIRECTOR REPORT - Ronda Daly - sent out email to all sponsors who did pkg last year to **sign up & pay by 5/20 at last year prices**. Asking bd to find sponsors. Sponsors help offset cost of the tournament. We definitely need sponsors. Will fix typo and send doc to board. **Need bd members to secure sponsors**. Then need help setup and tear down. Wadafiers going well. Enough now for 6 men 2 women.

UNFINISHED BUSINESS

- Need to more pro-actively place Wanna Play (see [Links for Board members](#))
- Review [Sponsors](#) to validate list on Apps & reach out to find if they are still interested. Checkmark in Team/Singles columns indicate they are currently listed on that App.
- Have three [vacancies on the Board](#) Struck out on couple of people, reached out to. Rob will continue to try to recruit.

NEW BUSINESS

Welcome Collin Bradley. Joined under 1 yr ago, b/4 the open. Finished 2nd season. Few ideas to bring other new people into league. 1. Marketing - bars do good job. Add to signup league flex singles, not on paper until getting to website. Hugh benefit. Make sure it's

on the singles, and flyer. 2. Do something to keep teams - round robin for less teams in a "section". Possibly 2 longer seasons instead of 3. Different mixup. Like if only 3 A teams. If 3 A and 6 B - play first 8 wks. Then split up based on how you do. (supported in DC?) Round robin play, then break up into A and B divs. BUT formats are different. Ronda would have to work on logistics. Too late to incorporate for fall season. Perhaps in future. / people would have to give opinions. SURVEY PLAYERS changes to current formats? Encourage B league players to realize they are A players. Start talking about logistics to change. Implement. If more consistency in teams, seeded for next season. Rob suggested bringing up in Capt meeting to see what people say - logistics.

Good discussion. Obviously impressed him with our IT ability. Lol get more people involved in possible changes. Bring prior players back in the league.
