Important Information

Shooters Fees and Rosters were due on Saturday, February 7th. Anyone who has not paid or turned in their rosters WILL BE DROPPED at the end of Week 6. There will be NO exceptions!

Sponsor fees will need to be paid by the end of Week 6 or teams will be dropped. Again, there will be NO exceptions!

We appreciate everyone's understanding that it is not fair to teams and sponsors that follow the rules to have other teams or sponsors "squeak" through and get extensions.

While we have had no issues, this is a friendly reminder that sportsmanship is the rule and not a suggestion. We all look forward to our nights out to play darts and it is much more enjoyable when everyone remembers to follow the rules of sportsmanship. This includes acknowledging your opponents before and after a match whether you win or not. You don't need to be overly nice but it is appropriate to acknowledge a good game played by both teams.

If you are a scorekeeper, please remember that you should not move except to make a score. If you are playing in the game, do not remove your darts from the board until after the scorekeeper has written down your score. As a scorekeeper for any 01 game (501, 401 or 301), you may only tell the shooter what they hit, the total score of the darts in the board or what is remaining and ONLY IF ASKED BY THE SHOOTER. You may not tell a shooter what they need to shoot for an out.

Please remember that as a scorekeeper, you are visible to the shooters at all times and should try to be as unnoticeable as possible.

For those of you that are shooting in a match with a scorekeeper, remember to thank your scorekeeper when you are finished with the match whether you win or lose. They did not have to keep for score for you and it should be considered a luxury when you have one.

We hope this serves as a gentle reminder to everyone and helps keep the nights of darts fun and exciting!

Please remember to make sure that both first and last names are legible along with the highlight. If we cannot read your name or your highlight, it will not be entered into the weekly.

Also remember that the "in" highlights only count in 301 when you have to double in and double out. It does not count for 401 and 501.

Score Reporting

All scores must be reported no later than *noon* on the day following your match. Once you have reported your scores, your must either email or fax your score sheet no later than 2 days following the match.

You can email your scores and score sheets to scores@wadadarts.org or fax them to (703) 723-5102.

If you email your score sheet, please note the score in the body of the email along with whether there were highlights or not.

Please check the Highlight section for acceptable minimum highlights for your level of play.

Also note that if you do not fully complete the upper left hand corner of your score sheet with the correct week number, date, night you play and the full division number (ex: 15B) you will receive 1 penalty point. It is VERY important that you fill this out correctly in case we need to go back and check your scores later in the season. Thank you for your cooperation.
